

# Be the police for a day

## Win a chance to try out real policing for yourself

Aged 11 to 16? Ever wanted to know what it's really like to be a police officer?

As part of our **Sussex Police People: 10 Days Live** event this summer, Sussex Police is offering 100 competition finalists a unique opportunity to try a variety of police roles at our specialist training facility, Kingstanding.

After visiting the old underground nuclear bunker, you'll use our high-spec kit to investigate a car crash, deploy search dogs, forensically examine a crime scene, find out what it takes to be a police diver, and more. The entire event will be broadcast live through our website.

All you need to do is tell us what you would do if you were a police officer for a day.

Overall winners chosen on the day will spend a day with their favourite specialist unit at a later date. For entry details, turn over.

You can create your entry in any way you like - write a story or a poem, take a photo, design a poster, create an animation or record a short film. We're interested in your ideas, not your artistic skill, so get thinking and have a go.

## Prize

Four overall winners - a best group and a best individual entry for each 11 to 13 and 14 to 16 age category - will be announced on the day. These winners will be able to choose their favourite specialist police unit to spend a full day with at a later date.

**Help choose the overall winners by liking your favourite entries on our website from Saturday 13 July 2013.**
