Door to Door Knockers

Yesterday, 19/01/12 we received a report of two males knocking on doors in the Hunston area. The males were described as aged between 19-23yrs and dressed in an old style donkey jacket. They were offering to buy any gold, silver or jewellery that the home owner no longer wanted.

They made no attempt to invite themselves into the property and did not pressurise the home owner.

If these males or any other door step sellers/buyers come to your area, then please remember to protect yourself and your property and do not let them into your homes.

If you are in a position to, then ask for a business card and let us know who it is knocking on your door.

You can report to us by dialling 101 or online at www.sussex.police.uk.
Always dial 999 in an emergency.
