Neighbourhood Watch Community Bulletin

Non-Emergency contact number 101 – Emergency 999

Chichester

12th October 2012 - 19th October 2012

Bike theft is occurring over the district. Please ensure you do not leave your cycle insecure. We recommend that you double lock your bike. Once through a wheel and once through the frame.

Make the lock and bike difficult to manoeuvre when parked - keep the lock away from the ground and keep the gap between the bike and lock small. This makes it much harder to cut through. When leaving your bike at home try and keep it out of public view in a secure shed or garage.
