### Manhood

**27<sup>th</sup> October 2012 - 2<sup>nd</sup> November 2012**

#### Operation Inroad

Bogus callers may be smartly dressed and claimed to be from the council, police or utility companies. They can also turn up as builders or gardeners and try and trick you into paying for unnecessary work. You should never agree to have any work done by someone just passing by. If you think work needs to be done get at least two quotes from reputable companies.

**If you think a bogus caller has called on you, report it to the police immediately.**
