Neighbourhood Watch Community Bulletin

Non-Emergency contact number 101 – Emergency 999

Manhood

8th September 2012 - 20th September 2012

Lead theft is an ongoing problem across the district. Try to prevent yourself from becoming a victim of crime by ensuring there is no easy access to your roof such as insecure ladders, water butts or waste bins making it easier to climb. Consider covering the lead with tar to make removal difficult. Consider installing security lighting. If you discover your roof has been damaged from lead theft then call us on the non emergency number 101.

Manhood East

Siddlesham: Church Farm Lane
