# Section 2 - Annual governance statement

We acknowledge as the members of **ENORTH MUNOHAMO PARISH ECOUNCIL** our responsibility for ensuring that there is a sound system of internal control, including the preparation of the accounting statements. We confirm, to the best of our knowledge and belief, with respect to the accounting statements for the year ended 31 March 2010, that:

		Agreed – Yes or No*	'Yes' means that the council:
1	We have approved the accounting statements which have been prepared in accordance with the requirements of the Accounts and Audit Regulations and proper practices.	YES	prepared its accounting statements in the way prescribed by law.
2	We have maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	YES	made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.
3	We have taken all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and codes of practice which could have a significant financial effect on the ability of the council to conduct its business or on its finances.	Yes	has only done things that it has the legal power to do and has conformed to codes of practice and standards in the way it has done so.
4	We have provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.	YES	during the year has given all persons interested the opportunity to inspect and ask questions about the council's accounts.
5	We have carried out an assessment of the risks facing the council <b>and</b> taken appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	YES	considered the financial and other risks it faces and has dealt with them properly.
6	We have maintained throughout the year an adequate and effective system of internal audit of the council accounting records and control systems and carried out a review of its effectiveness.	Yes	arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether these meet the needs of the council and reviewed the impact of this work.
7	We have taken appropriate action on all matters raised in reports from internal and external audit.	YES	responded to matters brought to its attention by internal and external audit.
8	We have considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the council and, where appropriate have included them in the accounting statements.	Yes	disclosed everything it should have about its business activity during the year including events taking place after the yearend if relevant.
9	Trust funds (including charitable) – in our capacity as the sole managing trustee we have discharged our responsibility in relation to the accountability for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.	N/A	has met all of its responsibilities where it is a sole managing trustee of a local trust or trusts.

This annual governance statement is approved by the local council and recorded as minute reference
