

North Mundham Parish Council

Internal Audit

Year Ended 31st March 2017

Prepared by: Mulberry & Co
Date of Interim Visit: n/a
Date of Final Visit: 25th April 2017

Law and Regulation Regarding Internal audit

Regulation 6 of the Accounts and Audit (England) Regulations 2011 imposes a duty on local councils to 'maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control. Internal audit is a key component of the system of internal control.

The purpose of internal audit is to review and report to the council whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's role is to assist the council in fulfilling its responsibility to have and maintain proper internal control arrangements and those for the prevention and detection of fraud, error or mistakes

All internal audit work must be reported to the council. Any report by internal audit is addressed to the council, may recommend actions to be taken by the council, and should be treated as a document open to view by local taxpayers.

Two pieces of legislation set out how local councils should behave when accounting for the public funds they manage and what rights local taxpayers have in relation to those accounts. These are the **Audit Commission Act 1998** and the **Accounts and Audit Regulations issued from time to time under the Act**. The requirement for local councils to prepare accounts annually and to subject them to external audit comes from the Audit Commission Act 1998 (the Act). The Act describes the rights of taxpayers and other interested parties in relation to those accounts.

Under the regulations, all local councils must at least once a year conduct in accordance with proper practices a review of the effectiveness of their system of internal control and publicly report the outcome. The Annual Governance Statement in Section 2 of the annual return provides the means for local councils to report to local taxpayers on their system of internal control.

This report is prepared for the council and proper officers of the council named above, for use in fulfilling their obligations under the Audit Commission Act 1998 and the Accounts and Audit Regulations issued from time to time under the Act for preparing the Annual Return and reviewing the effectiveness of their system of internal controls. Mulberry and Co accept no responsibility for any action or inaction taken as a result of the findings of this report and accept no responsibility to any other party other than those named above.

No part of this material may be reproduced in any form without the prior permission of Mulberry & Co.

Summary Findings

I enclose my report for your kind attention and presentation to the council. I am pleased to report that overall the systems and procedures you have in place are entirely fit for purpose and a model for good practice. I am therefore pleased to report I can sign off the annual return positively.

My audit was conducted in accordance with current practices and guidelines and testing was conducted in line with the inherent risks assessment. Whilst I have not tested all transactions, my sample has where appropriate has covered the entire year to date. Amongst others the following areas were covered in my testing:-

- Review of the Financial Regulations & Standing orders
- Review of the Risk Assessments
- Review of the Budgeting process
- Proper Bookkeeping – review of the use of the excel package.
- Review of Income
- Review of Salaries
- Review of Fixed Assets
- Review of Annual Accounts

A. BOOKS OF ACCOUNT

The excel system of recording the financial transactions of that of the council was logically presented and easy to follow and understand. The carry forward balances were brought forward correctly and the total payments and receipts per the cashbook were evidenced on the year-end bank reconciliation.

The limited number of transactions lends itself to a simple cashbook style of presentation and on this basis I make no recommendation for change at this stage.

B. FINANCIAL REGULATIONS, STANDING ORDERS AND PAYMENT PROCEDURES

Financial regulations and standing orders are reviewed annually and kept up to date. Evidence was seen to show council is following regulations and proper practices. I make no recommendation for change at this stage.

Payments were tested from the annual return summaries back to the cashbook, bank statement invoice and minute authorisation for a random selection of in year payments, there were no errors.

C. RISK MANAGEMENT & INSURANCE

Council has a good system of internal review and control. Risk assessments are carried out and documented in accordance with regulations. I make no recommendation for change at this stage.

Insurance – council insured with Aviva via Came and Co on the three year deal, cover appears to be adequate in respect of money, employers and asset cover.

D. BUDGET & PRECEPT

Budgets are drawn up in the correct timescale and are reported on regularly. Reserves are a little high; however the council is provisioning for future spend and overall budgets are properly monitored and reviewed throughout the year. I therefore make no recommendation for change at this stage.

E. INCOME

Precept £33,218 (2016: £30,503) was tested to documentary evidence and is correctly shown in box 2 of the annual return.

Other receipts £36,193, (2016: 26,323) comprises in the main, grant income, village hall income and VAT; these were tested to documentary evidence. There were no errors.

VHMC letting income was reviewed in the cashbook. Rates charged for the VHMC were agreed to the standard annual rates as agreed by council in 2015- there were no reported changes for 2016. Rates

for 2017 have been reviewed and changed as appropriate by council. Council reviews and minutes chargeable rates in accordance with regulations.

I am of the opinion that income is banked properly and recorded correctly on the annual return.

F. PETTY CASH

No petty cash

G. PAYROLL

Staff costs per the annual return of £10,562, (2016: £10,532) were reconcilable to the payroll, pension and employers NI where applicable. Council approves the wages scale annually and this is minuted. Payroll calculations are prepared by an external payroll bureau and testing proved the wages to those approved by council and deductions were correct. I make no recommendation for change at this stage.

I am of the opinion staff costs are correctly record on the annual return

H. ASSETS AND INVESTMENTS

The asset register was complete and up to date. The council has £33,351 (2016: £33,169) of fixed assets. There were some minor additions and disposals in year.

The council holds no long term investments.

I am of the opinion that assets costs are correctly shown on the annual return.

I. BANK RECONCILIATIONS

The bank and cash balances are £84,411, (2016: £70,320). The year-end 31st March 2017 reconciliation was correct with no adjustments. The reconciliation agreed to the cashbook control and the annual return respectively. The bank reconciliation is regularly reported to council and is approved in accordance with regulations.

The council has no loans.

Council has a good system of internal review and presentation to council and I make no recommendation for change at this stage.

J. YEAR END ACCOUNTS

These were correctly prepared on the receipts and payments basis. Amounts could be traced back to the cash books with ease. Supplementary information requirements for the external auditor have been correctly prepared and agree to the annual return.

I am of the opinion the year end accounts are a true and fair reflection of the financial transaction of that of the council and for the council year ended 31st March 2017 and can be submitted to the external auditor.

K. TRUSTEESHIP

25th April 2017.

Points Forward – Action Plan

Point Forward / Action needed	Auditor notes	Council response
Other		
None		

Overview of Council

	Work Task	Schedule Ref	Notes/Results
Terms of Engagement			
1	Review terms of engagement letter and confirm appropriate to this year		New engagement letter issued Engagement letter is kept on the correspondence file.
2	Confirm that the professional independence and competence questionnaire has been completed and agreed with the client	1.2	Yes – confirmed and attached
3	Complete Budget	1.3	Completed & Agreed with Client
4	Complete Timetable	1.4	Completed & Agreed with Client
Planning Notes – Understanding the Town & Parish Council			
	Number of electors and size of precept		Electors 1,006 (2015/16: 1,006) Small increase in precept this year
	Key personnel		Louise Chater Clerk & RFO
	Type of financial accounting in place i.e. Manual books, computerised system		Excel system
	Does the council carry out an annual risk assessment, and is it documented.		Yes by RFO – Financial Risk assessment – looked at by a councillor and approved by full council annually.
	Does the council have a good control environment (evidence of internal reviews and counter signing of cheques etc)		A councillor reviews the cash books and other books twice yearly
	Any significant changes since prior year (staff or procedures)		No
	Any there any matters arising from last year's audit and/or management letter		No
	Matters arising from discussions with council, including whether there is any evidence of fraud or material misstatement.		No
	Back up		Daily off site
	Power of well being		Council has power
	Key high risk or expected problem areas,		None

Professional Independence and Competence Questionnaire

The internal audit function must be sufficiently independent from the management of financial controls and procedures of the council which are the subject of review. The person or persons carrying out internal audit must be competent to carry out the role in a way that meets the business needs of the council.

There are two key principles, which all local councils must follow in setting up their internal audit function, regardless of how procured: **independence and competence**.

INDEPENDENCE	
Do you have any specific reliance on the fee to be earned from this assignment	No
Overdue fees	
Does the client/group of clients owe the firm any money which exceeds our normal credit terms?	No
Litigation	
Is there any actual or anticipated litigation between us and the client in relation to fees, audit work or other work?	No
Associated firms	
Are you or your staff associated with any other practice or organisation which has had any dealings with the client council?	No
Family or other personal relationships	
Do you or any of your staff have personal or family connections with the council or its officers?	No
Mutual business interest	
Do you or any of your staff have any mutual business interests with the client or with an officer or employee of the client?	No
Financial involvement	
Do you or your staff, or anyone closely related to you or any of your staff, have any financial involvement in the client in respect of the following:	
Any beneficial interest in shares or other investments?	No
Any loans or guarantees?	No
Goods and services: hospitality	
Have you or any of your staff accepted materials, goods or services on favourable terms or received undue hospitality from the council?	No
Ex-partners or senior staff	
Has any senior officer of the council been a partner or senior employee of the practice?	No
Is the partner or any senior employee on the audit team in negotiations to join the client?	No
Long association	
Have you been acting for more than 10 years? If yes, then consider rotation/engagement quality review. 8 th Year of auditing	No
Provision of other services	
Do we provide any of the following services to the client:-	
Accounting services, book-keeping or payroll services	No
Staff secondments	No
IT services where we are involved in the design, provision or implementation of systems	No
Specialist valuations which are included in the accounts	No
Tax compliance work or tax planning	No

Corporate finance activities	No
Any advocacy services e.g. Tax commissioner hearings	No
Any services relating to the management of the council	No
Any other services that may cause a threat to the firm's objectivity or independence	No
Where any of the above have been answered 'yes', then specify below what safeguards are proposed to maintain integrity and independence:-	
Competence	
Consider the following matters prior to deciding to accept appointment/re-appointment as auditors:	
Are there any particular challenges and risks associated with this client?	No
Do we have sufficient expertise available to undertake this audit engagement?	Yes
Are there sufficient resources available to undertake this audit engagement?	Yes
Having regard to the safeguards identified, I am satisfied that we are independent and competent to perform this audit.

Inherent Risk Assessment

Based on the above findings and discussions with council it is my opinion that the inherent risk within the systems of the council is categorised as follows

Work Task	Notes	
Are standing orders and financial regulations regularly reviewed	Yes	Low Risk
Is council following its written Financial regulations & standing orders	Yes – no issues in the past	Low Risk
Does the council have risk assessments in place and are theses reviewed at least annually	Yes	Low Risk
Does the council have a committee or working party responsible for internal checking	Yes – twice annual internal review that is properly documented.	Low Risk
Is there evidence of hierarchical review (counter signing bank rec, invoices etc)	Yes	Low Risk
Is there regular reporting against budget?	Yes	Low Risk
Are books and records maintained on a regular basis	Yes	Low Risk
Is the clerk under time pressure	Yes	Medium Risk
Are there complicated transactions?	No	Low Risk
Any changes to key staff	None	Low Risk
Any changes in systems or procedures	None	Low Risk
Is all info on site and to hand?	Yes	Low Risk
Any problems in the past	None	Low Risk
Are there any other factors to consider?	No	Low Risk

Conclusion & Opinion

The systems policies and procedure are robust and are fit for purpose.

Specific Audit Plan

Audit Area Section 4 Annual Return	Notes	Risk of error or misstatement	Tests	Ref
Appropriate books of account have been kept properly throughout the year.	Excel package in place, limited and uncomplicated transactions	Low	Review transactions in cashbook make verbal enquiries. Test arithmetic.	A
The council's financial regulations have been met, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.	Good, simple system , with up to date FR and SO	Low	Review invoices and reconcile to cash book in detail. Review minutes and cheque books for authorisations	B
The council assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.	Risk assessment policy written risk assessments carried out	Low	Review and comment	C
The annual precept requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate	Excel budget – reported on every month	Low	Review minutes for evidence of council discussion of the same	D
Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.	Simple income stream – no complicated areas	Low	Test to precept application and other misc receipts.	E
Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.	No Petty cash	Low	Nothing to test	F
Salaries to employees and allowances to members were paid in accordance with council approvals, and PAYE and NI requirements were properly applied.	Payroll processed by external body	Low	Test rates and hours are authorised Test net wages to payments due	G
Asset and investments registers were complete and accurate and properly maintained.	Fixed asset register in place	Low	Review insurance schedule and cashbook for missing items off the register	H
Periodic and year-end bank account	Regular reconciliations	Low	Test Year End reconciliation in detail	I

reconciliations were properly carried out.				
Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, were supported by an adequate audit trail from underlying records, and where appropriate debtors and creditors were properly recorded.	Receipts and payments	Low	Test audit trail sufficient for electors rights	J
Trust funds (including charitable) The council met its responsibilities as a trustee.	No Trust	Low	No testing required	K

Audit Findings

(A) Proper Bookkeeping

Objective	To confirm that appropriate books of account have been properly kept throughout the year
------------------	---

The basic record of receipts and payments is always the starting point of an accounting system; the majority of internal controls will work back to that original record. It is essential that the system requires that the **basic cash book is kept up to date** and **balances are regularly verified against a bank statement** or the actual cash in the petty cash tin. This record will also **agree with the supporting vouchers**, invoices or receipts. Even though the arithmetic may be automatic on a computer based system it is necessary to **check that the additions and balancing are correct**. The level of checking will depend on who does what and with what frequency. Where there is a **computer based system**, the reliability of information reported by the system depends on the quality and accuracy of data input, and how it is then processed, and **so tests of the integrity of data input and processing should be considered**. A councillor or member of staff may do the checking or verification; internal audit will test that the checking verification within the system has been undertaken.

Test		Comments / Conclusions / Points Forward
1	Using the previous year's annual return agree the current year's brought forward balances in the cash book.	The cash book balances b/wd agrees to the 2015/16 c/wd balances. There were no errors or adjustments
2	Review the nominal ledger/cashbook for large and unusual entries and agree to supporting documentation	The council uses Excel and all entries are laid out in a clear and logical manner with references and cross references as appropriate to supporting documentation. No data fields have been left blank and the reader can easily identify from the narrative the nature and scope of the transaction. Other than the precept there were no unusual amounts. This is a tried and very much tested system and works very well for a council of this size.
3	Verify arithmetic by casting a sample of the cash book, if this is maintained electronically check one month only	The excel system adds up and casts correctly.
4	Is the cashbook maintained and up to date	The RFO/Clerk maintains the system on a regular basis.
5	Is the cashbook regularly balanced	Bank is reconciled and reconciliation taken to council for approval and sign off at each meeting. IA has seen evidence of this.
6	Is the data input by the RFO checked internally	By virtue accounts and reconciliations reviewed twice annually and taken to council monthly – yes internal checks are carried out.

OVERALL CONCLUSION (Subject to points carried forward in final notes)

Satisfactory – I am of the opinion that the excel package is being used properly, and that it is fit for purpose for a council of this size.

(B) Financial Regulations, Standing Orders & Payment Controls

Objective	To confirm The council's financial regulations have been met, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.
------------------	---

The first step in establishing a financial system is to identify the general rules applicable at council or committee meetings and in carrying out the council's business. The Standing Orders, Financial Regulations and other internal instructions do this. **Internal audit should have a copy of the current Standing Orders, Financial Regulations and any internal instructions.** Internal audit's report to the council will include any recommendations for improvement in these documents arising as a result of their work during the year. The level of checking will depend on the content of the Standing Orders and Financial Regulations. The amount of work may well vary, and more extensive testing of compliance may be needed from time to time, but as a minimum, having established whether the **council has within the year reviewed its Standing Orders and Financial Regulations** for continued relevance, internal audit will test.

In purchase order procedures:

- that the **correct number of estimates, quotes or full tenders** depending on estimated value of contract **have been obtained** (Standing Orders will state the value at which tenders are required; Financial Regulations or Standing Orders will show the value where estimates or quotes only are required);
- that **proper purchase authority by council, a committee or officers** (under clear delegated powers) **is in place**; and
- that a **proper legal power has been identified** for the expenditure.

In purchase payments:

- that the supporting paperwork confirms that there is a **fully approved invoice and authorisation for payment**; and
- that **VAT is identified** appropriately for reclaim.

In most councils these checks can be limited to a sample of transactions selected at random, plus those which are large or unusual, such as each payment for a value in excess of £1,000, or some other figure appropriate to the level of activity of the council. The aim is for **internal audit to check that the systems put in place by management are working and are appropriate.**

Standing Orders and Financial Regulations may well repeat the statutory requirement to maintain 'a separate account' of expenditure and income under Local Government Act 1972 section 137 and Local Government Act 1986 section 5. **Internal audit should check annually that such an analysis is kept** and that the **cash limit in section 137 is not exceeded.** Internal audit may scrutinise the resulting list of expenditure and should consider whether the power is being properly used but would not check through for the correct analysis of every item.

Internal audit should also check that **payments of interest and principal** in respect of loans (and investments if any are held) are **in accordance with an agreed schedule.**

Test		Comments /Conclusions /Points Forward
1	Has the council formally adopted standing orders and financial regulations?	Financial Regulations were adopted July 2016 and reviewed & amended in April 2016 and will be reviewed again in 2017. Standing orders Adopted 1 st July 2014 and reviewed and amended in April 2016. They will be reviewed again in April 2017.
2	Has a Responsible finance officer been appointed with specific duties?	Yes – these are detailed in the contract.
3	Have items or services above the de minimus amount been competitively purchased?	None in year

4	<p>Are payments in the cashbook supported by invoices, authorised and minuted?</p> <p>Test a random sample of items to verify that internal controls are operating as described:-</p> <p>Purchase order procedures:</p> <ul style="list-style-type: none"> that the correct number of estimates, quotes or full tenders depending on estimated value of contract have been obtained that proper purchase authority by council, a committee or officers (under clear delegated powers) is in place; and that a proper legal power has been identified for the expenditure. <p>Purchase payments:</p> <ul style="list-style-type: none"> that the supporting paperwork confirms that there is a fully approved invoice and authorisation for payment; and that VAT is identified appropriately for reclaim 	<p>Selected a sample of payments from June and July from the cashbook and traced these back to underlying documentation, minutes and bank statements.</p> <p>All payments were correctly authorised, described and entered into the cashbook with the correct analysis.</p> <p>Cheque book stubs, direct approval payments and standing orders were verified to council approvals and hard copy documentation.</p>
5	Has VAT on payments been identified, recorded and reclaimed?	Yes excel cashbook has columns for VAT and suppliers VAT number alike
6	Is s137 expenditure separately recorded and within statutory limits?	Separate column for S137. – None in year
7	Note down if council is registered for VAT or if they use the annual reclaim method	Not registered for VAT – undertake S.126 reclaim on regular basis – IA has seen evidence of refunds being received.
8	<p>Review VAT returns for supporting documentation and verify a sample of transactions to</p> <ul style="list-style-type: none"> Invoices Other third party evidence Correct rate of VAT Correct treatment of VAT 	IA has seen and reviewed evidence reclaim and related entries back to the cashbook. There were no errors.
9	Review bank account for payments or receipts of VAT	As above – IA has seen evidence of refunds
10	Reconcile VAT returns to cash book	Reconciles
11	Ensure Returns are made on a prompt basis	Yes at least twice annually

OVERALL CONCLUSION (Subject to points carried forward in final notes)

Satisfactory – The council has shown me sufficient evidence to show controls are in place and being used. The systems in place are robust and fit for purpose and a model for good practice.

(C) Risk Management

Objective	To confirm the council assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.
------------------	---

The greatest risk facing a local authority is not being able to deliver the activity or services expected of the council. The council is likely to be managing many of those risks when it **reviews its insurance** and its systems. **The minutes are an essential record of such reviews. Budget setting and insurance review are annual activities;** the review of systems may be less frequent.

It is suggested that **systems should be reviewed** in some detail, unless triggered by external or internal audit reports, or change in risk, at least **every four years** or **on the change of Clerk/RFO**. This might be more appropriate for larger councils on a cyclical basis.

Minutes should be checked by internal audit for any suggestion of unusual activity and evidence that risks are being identified and managed.

Test		Comments / Conclusions / Points Forward
1	Does a review of the minutes identify any unusual financial activity?	No simple system
2	Do minutes record the council carrying out an annual risk assessment?	Yes – undertaken in November 2016.
3	Is insurance cover appropriate and adequate?	PC is insured by Aviva. The assets are listed money cover more than adequate.
4	Are internal financial controls documented and regularly reviewed?	Yes and evidence seen to see this being carried out.
5	Review financial & Other risk assessment and ensure up to date, note down any significant risks facing the council	IA has reviewed risk assessments and evidence of council review of the same. These are in good order and carried out in accordance with regulations.
6	Document retention & Data Back up	Digital information backed up daily to a cloud offsite storage

OVERALL CONCLUSION (subject to points carried forward in final notes)

Council has good system of risk assessment – no points to carry forward.

(D) Budgetary Controls

Objective	To confirm the annual precept requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.
------------------	---

Internal audit will not check the budget but will verify that a budget has been properly prepared by the council and adopted in setting the precept. The regular reporting of expenditure, and variances from budget, is an important part of the proper control of public money. **Internal audit will expect to see the regular reports to council and the variance analysis.** That variance analysis and the decisions of council or committee taken as a result may suggest areas for additional analysis by internal audit. Part of budgetary control is to ensure **adequate but not excessive reserves** or balances. **Progress against budgets should be regularly monitored.** It is particularly helpful when determining the likely precept that will be required for the following year. **Internal audit will be keen to establish that this has taken place.**

Test		Comments /Conclusions /Points Forward
1	Has the council prepared an annual budget in support of its precept?	Yes this was prepared in the proper time period last year and approved by council in the January 2017 meeting.
2	Note how client prepares budget	Zero based approach using excel with precept as the final line item. The 2017/18 budget contains provision to add circa £13k to reserves overall.
3	Is actual expenditure against the budget regularly reported to the council?	Every council meeting. IA has seen evidence in minutes to support this.
4	Are there any significant unexplained variances from budget?	Yes there was unanticipated expenditure on bus shelter maintenance during the year, the council made a virement and detailed this in the minutes.
5	Review council's reserves and reserves policies and make a note of how many months cover they have and whether this is sufficient for this particular council	Reserves are circa £84k (2016: £70k) – split £30k general and £54k designated. The reserves schedule shows a breakdown of this with notes to denote how these will be spent. General reserves are a little high.

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory - Budgets and reserves are properly prepared and monitored.

(E) Income Controls

Objective	To confirm expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.
------------------	--

Internal audit will look for evidence that the precept and grant income is properly and promptly received. In value this is usually the largest item of income. **Internal audit is more likely to focus on other income particularly where it is unusual or cash-based.** Cash income brings higher risks, in turn requiring greater control by ticket issues, receipt issues, segregation of duties of the cashier and the invoice-raising clerk. **The need for greater control implies a need for internal audit to verify the operation of all checks and balances.**

If the council has let property or holds investments, then the council should have established a system to ensure regular income collection; a diary of expected dates of income etc. **Internal audit will look for evidence of such activity and any necessary progress or invoice chasing.**

If the income is from quoted investments there is a clear risk to be addressed in terms of identifying the investment policy to be followed, controls over who can initiate a change of investment and an awareness of the investment risks being accepted.

Test		Comments /Conclusions /Points Forward
1	Is income properly recorded and promptly banked?	Precept and grant received by bacs properly recorded in cashbook and annual return. Credits paid in within a week of receipt – no cut off issues to report. IA has seen evidence to prove letting income is banked and recorded promptly and properly and agrees to annual charges set by council
2	Does the precept recorded agree to the Council Tax authority's notification?	Yes
3	Are security controls over cash and near-cash adequate and effective?	Cash is very minimal
4	Is VAT correctly applied at the correct rates	Council not registered for VAT
5	Is there income from sale of investments or investment income	No

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory – The income process is working properly.

(F) Petty Cash Procedure

Objective	To confirm Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.
------------------	---

Internal audit will be looking to see that there is an established system in place rather than ad hoc reimbursement. If the clerk is reimbursed for all small cost expenses or there is a separate cash float, a regular payment must be made to keep up to date. **Internal audit would be looking to see that reimbursement is regular and evidence that on occasions an independent person has physically counted the cash balance and checked to be in agreement with the up-to-date record.** The council should have a system for the regular approval of petty cash expenditure.

Test		Comments/Conclusions
1	Is all petty cash spent recorded and supported by VAT invoices/receipts?	
2	Is petty cash expenditure reported to each council meeting?	
3	Is petty cash reimbursement carried out regularly?	
4	Review petty cash records for unusual amounts	
5	Test count the petty cash and agree to accounting records at today's date if not conducted at the year end.	
6	Select a sample of petty cash payments and receipts and agree to supporting documentation, verifying <ul style="list-style-type: none"> • Amounts • Authorisations • VAT analysis 	

OVERALL CONCLUSION (subject to points carried forward in final notes)

Not applicable no petty cash

(G) Payroll Controls

Objective	To confirm Salaries to employees and allowances to members were paid in accordance with council approvals, and PAYE and NI requirements were properly applied.
------------------	---

Internal audit will be seeking reassurance that the system is delivering the correct payments for wages and salaries and that PAYE/NIC is correctly deducted from the gross pay and paid to HM Revenue and Customs. Historically, one of the greatest areas of risk for local councils has been the improper payment of wages and salaries, together with the lack of proper deduction of income tax and national insurance contributions.

There are some simple tests to establish whether a person is employed by a local authority or can be regarded as a contractor. **The clerk is always regarded as an employee – as an ‘office holder’. As an employer, the council must operate PAYE/NIC.** If correct deduction for tax or national insurance is not made by the employer, HM Revenue and Customs has the right to seek the lost tax and contributions from the employer as if the payments made were after deduction of the appropriate amounts (i.e. the amount sought is ‘grossed up’). There may also be a liability for interest and penalties that can increase the sum significantly. The clerk, even at the smallest of councils, will need to be able to produce evidence that the correct tax treatment of salary has been arranged with HM Revenue and Customs. HM Revenue and Customs often seek to avoid setting up a PAYE scheme for a single employee whenever possible, so will seek to ‘code out’ any parish council salary through other income, pension scheme or by direct assessment. The council should have an up to date letter from HM Revenue and Customs (addressed to the Council) confirming that arrangements to their satisfaction have been made for the particular employee. Internal audit may verify that evidence each year as part of the annual statement forming part of the annual return.

Changes to contracts of employment (whether annual salary change, or other) require formal agreement by the council as well as being evidenced by a written statement to the employee. The council should record evidence of approved changes in employment contracts in employee records. **Internal audit should check that this evidence is in place and agree sums paid to those sums shown as payable.** The purpose of specifically investigating the PAYE/NIC system recognises the risks inherent in these items, either through fraud or error, and the risk of significant management time and penalties in making corrections if errors arise.

Test		Comments/Conclusions
1	Do all employees have contracts of employment with clear terms and conditions?	Yes
2	Do salaries paid agree with those approved by the council?	Chairman allowance – expenditure reimbursement. Evidence seen by IA of minute approving annual pay scales and hours.
3	Are other payments to employees reasonable and approved by the council?	Yes – generally for mileage – forms part of the normal routine of payment authorisations. IA seen evidence of approved expense claim for clerk.
4	Have PAYE/NIC been properly operated by the council as an employer?	Yes this is calculated and paid on a monthly basis.
5	Check a sample of payroll deductions. Verifying calculation of PAYE & NIC	Deductions are correct.
6	Check employee existence by physical verification or by reference to documentation (e.g. personnel files, coding notices etc).	Clerk only employee
7	Check payroll is signed by a responsible official.	Payroll signed off by clerk – however payment

		authorised by council.
8	Test check net wages & PAYE per the cash book to the payroll	Nominal ledger shows where applicable payments of wages, pension and NI
9	Review cash book for unusual payments not put through the PAYE/NI system (e.g. casual labour, round sums, private bills etc).	No unusual amounts to report.

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory – salaries and processing of salaries are correct. There are no errors.

(H) Asset Control

Objective	To confirm asset and investments registers were complete and accurate and properly maintained.
------------------	---

The Council is required to maintain an asset and investment register. In the smallest councils, this may only be a note produced for members and local electors. **Internal audit will be interested in seeing that there is evidence that the continuing existence of owned and managed assets is checked on a regular basis.** In a larger council the register may be hand written, typed or computer produced; the essence is the same in that the system should be verified on a regular basis. This verification **should include confirmation that insurance cover is adequate and sufficient.** If investments are held, the asset register will be a more active record; it should include details of cost, values, and expected income that can be checked against the actual income. Dates and references to minutes of the members' review of the investments against the investment policy might also be included.

Test		Comments/Conclusions
1	Does the council maintain a register of all material assets owned or in its care?	Fixed asset register up to date and complete and agrees to annual return.
2	Are the assets and Investments registers up to date?	Yes No investments.
3	Do asset insurance valuations agree with those in the asset register?	Yes
4	Obtain details of additions and select items to test to invoice or other supporting documentation, having regard for VAT element	Minor additions and disposals in year
5	Conduct physical verification of selected assets to make sure that they are in regular use and check to fixed asset register	N/A
6	Check title for properties to documents of title and land registry and obtain details of any charges (NB: this may require confirmation from third parties)	Deeds at solicitors.

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory – asset registers maintained properly in accordance with regulations.

(I) Bank Reconciliation

Objective	To confirm Periodic and year-end bank account reconciliations were properly carried out.
------------------	---

In most councils, the bulk of the financial records will be concerned with a current account and a form of deposit account at a bank or building society. A regular feature of the financial system will be the reconciliation of the balances shown on the statements with those calculated in the council's financial records. **It is strongly recommended that on receipt of a bank statement, there should be a reconciliation of the appropriate cash book record. Internal audit will wish to see that this has been done**, but should not undertake the reconciliation unless it requires re-performance. **It may be appropriate for the year end balances and the reconciliation to be checked in detail.**

The basic cash book record must not be written up from the bank statements. That approach does not provide any form of control. The cash book record is written up from the council's records: cheque counterfoils and the paying-in books, together with the known direct payments and credits. It is the cash book record that is checked regularly against the bank statements to provide control.

The bank reconciliation should include a note of the historic cost of current investments held by the council, if any, so that this can also be monitored to ensure that these funds are performing in the way planned by the council and also so that the council can have, each time this is reviewed, as complete a picture as possible of its liquidity and available funds.

As part of internal control, a member may be appointed to review the bank reconciliation in detail and to evidence that review by signing the reconciliation form and the bank statements.

Test		Comments/Conclusions
1	Is there a bank reconciliation for each account?	Yes
2	Is the bank reconciliation carried out regularly and in a timely fashion?	Yes – monthly
3	Are there any unexplained balancing entries in any reconciliation?	None.
4	Is the reconciliation signed off by a member	Yes – signed off council monthly
5	Test check the year end reconciliation in detail	No errors – March 2017 reconciliation checked by IA
6	Prepare or obtain a schedule of investments showing all movements in the year and agree opening balances.	N/A
7	Test check value of listed investments at year end for disclosure in financial statements.	N/A
8	Test purchases and sales with agreements, contract notes and minutes	N/A
9	Is the value of investments held summarised on the bank reconciliation?	N/A
10	Check income has been received on all income yielding investments on a consistent basis and ensure tax has been correctly accounted for.	N/A

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory – bank reconciliations are carried out and reviewed properly.

(J) Year – End Procedures

Objective	To confirm Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, were supported by an adequate audit trail from underlying records, and where appropriate debtors and creditors were properly recorded.
------------------	---

It is the duty of the council and the RFO to produce the year-end accounting statements. **Internal audit will be looking to see that the appropriate accounting basis is used, that the figures can be followed through on working papers and adjustments, transfers, contra entries etc. are fully explained and justified.** Internal audit would not be expected to check all figures but will probably verify a small sample and the totals.

Councils accounting on an Income and Expenditure basis will have a system in place for identifying outstanding amounts (receivable and payable) and then for deciding on their materiality for inclusion in the accounting statements. **Internal audit will scrutinise the lists of creditors and other balances to ensure that the system is working adequately and that the RFO has correctly identified transactions in the one year that may in whole or part relate to another.**

Test		Comments/Conclusions
1	Are year-end accounts prepared on the correct accounting basis (Receipts and Payments or Income and Expenditure)?	AR completed correctly and casts correctly. Receipts and payments basis used.
2	Do accounts agree with the cashbook?	Yes – cashbook verified to annual return summary.
3	Is there an audit trail from underlying financial records to the accounts?	Yes – as noted above
4	Where appropriate, have debtors and creditors been properly recorded?	N/A
5	Has the Annual governance statement been signed off	No – will be taken to council in May
6	Has the annual return been completed in full	Partial – as above
7	Has the council got a system in place for reviewing the effectiveness of internal controls	Yes –

OVERALL CONCLUSION (subject to points carried forward in final notes)

Satisfactory – accounts properly prepared.

(K) Trust funds (including charitable)

Objective	To confirm the council has met its responsibilities as a trustee
------------------	---

Test		Comments/Conclusions
1	Is the council a sole trustee and is it responsible for managing trust fund assets	
2	Note down names of trusts council is a trustee of	
3	As sole trustee has the council properly carried out its duties in respect of financial reporting and or audit.	
4	Carry out any other tasks deemed necessary	

OVERALL CONCLUSION - (subject to points carried forward in final notes)

Not applicable.
