¹ The figure of £6,500 will be increased each April (starting April 2015) under the Pension (Increase) Act 1971 (as if it were a pension with a PI date of 1 April 2013). The uprated figure as at April 2015 is £6,675

² NPA means the employee's individual State pension age at the time the employment is terminated but with the minimum of age 65 (although, the NPA for membership accrued prior to 1 April 2014 is still linked to age 65. For a full breakdown of state pension ages see: <https://www.pensionsadvisoryservice.org.uk/about-pensions/the-state-pension/know-your-state-pension-age>

³ If a member voluntarily draws benefits before their Normal Pension Age and they were a member of the LGPS on 30 September 2006, then some or all of their benefits could be protected from the normal actuarial reduction applied to benefits paid early under the 85 year rule. The 85 year rule is satisfied if the member's age at the date they draw their benefits and their scheme membership (in whole years) add up to 85 or more.
