

As we move into the new year 2020 we also move into a new phase of the Neighbourhood Development Plan. In January we will commence Stage 4 (out of 7). Since we started the formal process in April 2019 we have been focused on building the evidence base for the Parish which will all go to inform the vision and policies within the final Plan.

The key stages and activities in 2020.

January to June:

Stage 4. Creating the scope of Plan (essentially the key principles) for review by CDC Historic England, Environment Agency and Natural England; development of full policies, draft Plan, Sustainability Assessment and Strategic Environmental Assessment followed by a pre-submission consultation with the public.

July onwards:

Stage 5. Submission to CDC followed by independent examination of the Plan.

Stage 6. Referendum.

Stage 7. Making the Plan i.e. formal adoption.

Full copies of the State of Parish report and the Parish Survey report are available to download from our website.

www.northmundham.org and click on the Neighbourhood Plan page.

Printed copies of the reports can be made available for a small charge. Please contact the Parish Clerk at clerk@northmundham.org or telephone 01243 203050 to request a copy.

Remember the Neighbourhood Plan is the only way we can influence the future development of our Parish over the coming years, so please help us to help all of you by actively getting involved and talking with friends and neighbours and letting us know your thoughts.

John Ashley.
