July 2020

CHAIRMAN'S UPDATE

Although I have not been able to send you these reports, your Parish Council has been able to carry on with most of our normal business. This has meant holding all our meetings 'on-line' using an internet video conferencing. And for the time being, the advice has been that we should continue to meet that way. But you can still listen to our discussions because our meetings are still public. We will publish the notice of all our meetings as usual on the Parish Council's website - look on the left-hand side of the home page. Then download a copy of the agenda, which will contain a link to join the meeting. If you need any help or explanation please contact me or the Clerk.

There is one important issue to bring to your attention. As you may be aware, the delay to the Chichester District Council's Local Plan Review means that CDC has no current plan to handle housing numbers. As a result, we are likely to see a spate of planning applications from developers eager to take advantage of the situation. Indeed, we know of three applications affecting the parish, one of which has already been submitted and two or three others likely to come forward.

In this fast-moving situation, the Parish Council will not be able to warn you individually of each application, and we will have to respond quickly. I must therefore advise that anyone interested in planning applications and their potential impact should keep an eye on announcements in the local paper, or on the District Council's planning website and the Parish Council's own website.

Finally, I must mention that we are still looking for someone else to join us to fill the vacant place for a parish councillor. If you are interested, we would live to hear from you.

Tim Russell, Chairman. 01243 781052. t.russell@northmundham.org

Your Parish Council

VACANCY

Tim Russell t: 781052
