18 September 2024

Dear Louise

Re: North Mundham Parish Council
Internal Audit for Financial Year Ended 31 March 2025 – Interim Audit report

Executive summary

Following completion of our interim internal audit on 18 September 2024 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published Annual Governance and Accountability Return (AGAR). The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of which is available on request. The report concludes with an opinion as to whether each assertion has been met or not at this point in the year. Some assertions are tested only at the final internal audit, and this is reflected where appropriate in the report.

Recommendations for action are shown in bold text and are summarised in the table at the end of the report.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at North Mundham Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry Local Authority Services Ltd, who has over 34 years' experience in the financial sector with the last 14 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2024/25 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The audit was conducted on site with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and overall, I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website www.northmundham.org

Since my last internal audit visit, the council has established a Finance Committee and moved to using Easy PC for recording its financial transactions. Terms of reference for the new committee have been agreed and are published on the council's website. The Clerk is very experienced and ensures that the council follows its adopted processes and procedures.

Meeting agendas are logically structured and minutes show clear resolutions being made by committee and council. I make no recommendation to change this system.

I checked the opening balance on the Easy PC system and was able to confirm it matches the amount in box 7 of the 2023/24 AGAR.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit

The External Auditor's Report was not qualified and has been published on the council's website along with the Notice of Conclusion of Audit.

The External Auditor commented under other matters '*Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.*'

The External Auditor's Report was received by council at the meeting held on 3 September 2024.

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides detailed information on each councillor and includes the Register of Members' Interests details.

Confirm that the council is compliant with the relevant transparency code

As the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so. A review of the council website shows that the information is published.

Confirm that the council is compliant with GDPR

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's Guide (March 2024) contains updated guidance on the matter as below:

The importance of using .gov.uk domains for websites and emails

- 5.210. All Parish, Town and Community Councils are eligible to use, and are advised to use, a .gov.uk domain for their websites and email communications. Your community, suppliers and partners will now reasonably expect a local council to have a .gov.uk domain name. Note that Parish meetings are exempt from the requirement to have a website.
- 5.211. To assist with compliance with the General Data Protection Regulations (GDPR), it is advised that clerks provide official .gov.uk email accounts to their councillors, which must only be used for official council business.
- 5.212. When choosing a domain name all councils must follow the rules set out by the Cabinet Office to choose a .gov.uk domain name, for example, 'ourparishcouncil.gov.uk' with email addresses linked to that domain.
- 5.213. Using a .gov.uk domain for your council website and email accounts gives Parish Councils the following advantages:
- 5.214. Increased professionalism and trust from members of your community, partners and suppliers because your email address and website domains are a trusted government brand.
- 5.215. Separation of your personal life from your professional life, ensuring members of your community, partners and suppliers understand what capacity you are emailing them in - whether a Councillor or Clerk.
- 5.216. Increased control for the Responsible Officer over email accounts and documentation when managing new joiners, leavers, sudden absences or Freedom of Information and Subject Access Requests.

The council has a Privacy Notice and Accessibility Statement on the home page of its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year

In addition to full council, the council has a committee structure in place. Terms of reference for each committee are published on the council website.

A diary of future meeting dates is also published on the council website, along with historic agendas and minutes for council and committee meetings.

Check that agendas for meetings are published giving 3 clear days' notice

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting.

I note that the council is publishing the non-confidential supporting documents on the website in accordance with the requirements of the Information Commissioner's Office.

Check the draft minutes of the last meeting(s) are on the council's website

Minutes are routinely uploaded to the council's website.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council on 7 May 2024 (minute ref 52.24). This included amending the associated Legal Topic Note relating to procurement.

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations

Financial Regulations are based on the previous NALC model and were last reviewed and adopted by council on 7 May 2024 (minute ref 52.24). The new NALC model has been reviewed and considered by the Finance Committee and the version recommended for adoption are due to go to the October council meeting for approval.

Check that the council's Financial Regulations are being routinely followed

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1 Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- *the council for all items over £5,000*
- *a duly delegated committee of the council for items over £1,000; or*
- *the Clerk, for any items below £1,000.*

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

FR 4.5 In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1,000. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

As part of the review conducted by the Finance Committee, the council is intending to increase some of the financial thresholds within the Regulations. Based on the level of financial activity of the council, and through discussion with the Clerk, these recommendations to increase are realistic and will enable the council to continue to function effectively.

A review of council minutes shows that payments are authorised in accordance with the current Financial Regulations.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £10.81 per elector

The council has adopted the General Power of Competence (GPC) and the section 137 thresholds do not apply.

Check receipt of VAT refund matches last submitted VAT return

The council submits its VAT return annually. I reviewed the submission for the period ending 31 March 2024 which showed a refund amount due of £2,275.49 and was fully supported by the required details. I was able to confirm receipt of this amount to the council's bank account on 3 May 2024. The council is up to date with its VAT submissions.

Confirm that checks of the accounts are made by a councillor

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The Clerk reviews and updates the risk management policy annually, and reports any required to council for adoption. This includes updating the risk assessment register and is a suitable approach for a council of this size.

I confirmed that the council has a valid insurance policy in place with Aviva Insurance through Clear Councils which covers the year under review. The policy includes Public Liability and Employers Liability cover of £10 million each and a Fidelity Guarantee level of £500,000 which is sufficient for a council of this size.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £42,665 for 2024/25. With a tax base of 620.1, this equates to a band D equivalent of £68.80 (compared to the average in England of £85.89).

The Clerk confirmed that the 2025/26 budget setting process is due to commence shortly, with the Finance Committee due to produce a recommendation for council at its committee meeting in October 2024, before council approves the final version at its meeting in January 2025. The Clerk presents the budget performance information for review in detail at Finance Committee meetings, with summary reporting at council where required.

The accounting information produced also provides a detailed breakdown of reserve balances held, showing amounts if used during the year and includes Community Infrastructure Levy (CIL) funds. There is a record of the dates for which the CIL spending must be completed.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33. The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34. The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35. The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36. In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37. Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.

A review of the general reserve balance will be conducted as part of the year-end internal audit.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Testing to be conducted at final interim audit.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash and the testing for this internal control objective does not apply.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee. She has a signed contract of employment, and I was able to confirm from the payroll summary for months 1 to 6 that salaries are paid in accordance with the NJC pay scales.

The council uses a third party to process payroll, with the Clerk advising of any additional hours if appropriate. A review of the payslip shows that deduction amounts appear correct.

There is a councillor allowance scheme in place whereby a quarterly payment is made through payroll.

I was able to confirm HMRC and pensions payments are up to date and that the council is correctly not claiming the employment allowance for national insurance contributions.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

Testing to be conducted at final interim audit.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Bank reconciliations are completed monthly. I reviewed the reconciliations for the first three months of the financial year and was able to confirm the balances to the bank statements and found no errors. The reconciliation and accompanying bank statements have been signed in accordance with the requirements of Financial Regulations.

The council currently holds accounts with four different providers. Due to the size of the council's budget, it does benefit from the protection offered by the Financial Services Compensation Scheme (FSCS) and balances are retained within the £85,000 protection limit.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

Testing to be conducted at final interim audit.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2023/24 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2023/24 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

Testing to be conducted at final interim audit.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2024 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2023/24 Actual
Date AGAR signed by council	7 May 2024
Date inspection notice issued	23 May 2024
Inspection period begins	3 June 2024
Inspection period ends	12 July 2024
Correct length (30 working days)	Yes
Common period included (first 10 working days of July)	Yes

I am satisfied the requirements of this control objective were met for 2023/24, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

N: PUBLICATION REQUIREMENTS**Internal audit requirement**

The authority has complied with the publication requirements for 2023/24. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2024 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2023/24, approved and signed, page 4*
- *Section 2 - Accounting Statements 2023/24, approved and signed, page 5*

Not later than 30 September 2024 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

Testing to be conducted at final interim audit.

O. TRUSTEESHIP**Internal audit requirement**

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council has no trusts and testing under this internal control objective is not required.

Achievement of control assertions at interim audit date

Based on the tests conducted during the interim audit, our conclusions on the achievement of the internal control objectives to date are summarised in the table below. Confirmation of continued compliance will be conducted at the final internal audit, with testing of internal control objectives J, L and N also completed at that visit.

	INTERNAL CONTROL OBJECTIVE	YES	NO	NOT COVERED
A	Appropriate accounting records have been properly kept throughout the financial year	✓		
B	This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for	✓		
C	This authority assesses the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these	✓		
D	The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.	✓		
E	Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for	✓		
F	Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for			✓
G	Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.	✓		
H	Asset and investments registers were complete and accurate and properly maintained.	To be tested at final internal audit		
I	Periodic bank account reconciliations were properly carried out during the year.	✓		
J	Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.	To be tested at final internal audit		
K	If the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. <i>(If the authority had a limited assurance review of its 2023/24 AGAR tick "not covered")</i>			✓
L	The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation	To be tested at final internal audit		
M	The authority, during the previous year (2023/24) correctly provided for the period for the exercise of public rights as required by the Accounts and Audit Regulations <i>(evidenced by the notice published on the website and/or authority approved minutes confirming the dates set).</i>	✓		
N	The authority has complied with the publication requirements for 2023/24 AGAR.	To be tested at final internal audit		
O	Trust funds (including charitable) – The council met its responsibilities as a trustee.			✓

Should you have any queries please do not hesitate to contact me.

Yours sincerely

Andy Beams
